## CURRICULUM VITAE

### Name

#### Current

Street Address  
Manhattan, KS 6650x  
Home Phone

#### Permanent

Street Address  
Saratoga, NY xxxxx  
Phone

### Education:

<u>Date</u>	<u>Institution</u>	<u>Degree</u>
2002-2006(anticipated)	Kansas State University College of Veterinary Medicine. Manhattan, KS GPA. Class Rank. Cum laude.	D.V.M.
1998-2002	Cornell University College of Arts and Sciences. Ithaca, NY Zoology. GPA. Magna cum laude.	B.S.

Educational background should appear in reverse chronological order (do not include high school). List degree, major, graduation date (anticipated), college/university, GPA (internship/residency/grad school), class rank (internship/residency/grad school), and academic recognition (ie. cum laude).

### Professional Experience:

List the most recent experiences first (reverse chronological order). Consistent layout is extremely important. State job title, the name of employer, followed by dates of employment, and description of job responsibilities. Be complete, truthful, and accurate without excessive detail, exaggeration, or distortion. Do not use paragraphs to describe experiences.

- Use a bulleted list (3 to 5) to indicate unique skills and responsibilities. There is no need to provide a laundry list of common basic veterinary skills acquired during a particular experience: ie. venipuncture, restraint, assisted in surgery.
- Bullet points should be used to describe the general experience (large animal ambulatory practice, referral specialty practice) and unique experiences (practice management responsibilities, spay/neuter clinic, distal limb radiography).
- Use action verbs “coordinated, developed, designed, managed”. Verb tense must remain consistent.
- Use concise telegraphic style. Omit all personal pronouns (I, we) and articles (a, an, and the) whenever possible; third person appears more objective/factual. Sentence fragments are acceptable.
- For non-veterinary work experiences, list job titles, names of the companies, and the dates worked. Some non-veterinary work experiences may be relevant and warrant a more detailed description of responsibilities (ie. financial, computer, management, or research skills). There is no need to list the camp counselor and waitress jobs held during college.

### **Externships:**

Arizona Equine Medical and Surgical Centre, Phoenix, AZ  
Dr. Edward Voss. October 1, 2004-October 21, 2004

6666 Ranch, Guthrie, TX  
Dr. Glenn Blodgett. March 28, 2005-April 17, 2005

### **Elective Coursework:**

Fall 2004 CS 741 Veterinary Practice Management (1 cr)  
Spring 2005 CS 740 Emergency Medicine (1 cr)  
Spring 2005 CS 747 Systems Integration for Small Animal Medicine (2 cr)

### **Professional Activities and Associations:**

- Student Chpt of the American Veterinary Medical Association, National and KSU - 2002-05  
Treasurer – 2003-04
- Veterinary Business Management Association - 2003-05  
President – 2004-05, Vice-President - 2003-04
- Student Chpt of the Veterinary Emergency and Critical Care Society - 2002-03
- Student Chpt of the American Association of Swine Practitioners - 2002-05

### **Honors and Awards:**

- Telefund Scholarship, KSU-CVM - Spring 2003, Fall 2003, Fall 2004
- Nebraska Veterinary Medical Association Student Scholarship - Fall 2003
- Col. Frank C. Hershberger Memorial Veterinary Scholarship, KSU-CVM - Fall 2004
- Golden Key National Honor Society, Cornell University - inducted 2001
- Phi Kappa Phi National Honor Society, Cornell University - inducted 2001

### **Professional Presentations (optional category):**

Clinical effects of BVD virus in feedlot cattle. Western States Veterinary Conference. Las Vegas, NV. February 22, 2004.

Auditing the health status of a feedyard. Annual Meeting of the South Dakota Veterinary Medical Association. August 12, 2003. Souix Falls, S.D.

### **Refereed Publications (optional category):**

Davis EG, Sang YM, **Rush BR**, Zhang G, Blecha FB: Molecular cloning and characterization of equine NK-lysin. *Vet Immunol Immunopath.* 2005; 105(1-2):163-169.

**Rush BR**, McCue ME, Davis EG: Equine recumbency: Complications and slinging. Part IV. *Compend Cont Ed Pract Vet.* 2004; 26(4) 256-269.

List citations in reverse chronological order (include unpublished or in press manuscripts). Your name should appear in bold print.

**Optional Categories:**

- Licensure and Accreditation
- Research support
- Abstracts
- Public education and outreach
- Instructional experience

**References:**

List the names, titles, and addresses of 3-4 people whom you have asked to serve as professional references. Provide your references with a copy of your CV so they can discuss the details of your background more fully.
