

INFORMATION ON FINANCIAL ASSISTANCE FOR INTERNATIONAL STUDENTS

This handout contains information on government agencies, private organizations, publications, and internet websites that can provide necessary information for international students to locate possible financial funding. The lists are based upon the most current data available. Please be aware that these awards, scholarships, etc. may have increased, decreased, or eliminated without any notice. Application deadlines may change unexpectedly as well.

There are free and subscription scholarship searches available on the web. If you do decide to utilize a scholarship search service that charges a fee, please review these two sites BEFORE paying any money:
