**Veterinary Journal Club/Discussions:** Informal discussion of the each assigned reading (June 7-July 26) will be lead by a pair of veterinary scholars. Copies of the papers will be distributed at the May 24<sup>th</sup> meeting, and scholar pairs will have the opportunity to sign up on-line. Program faculty will be available to assist students as needed. Dr. Freeman will gladly make suggestions to students regarding faculty assistance. Dinner will be provided each Monday evening. Scholar pairs should coordinate their meal preferences with BJ Thompson in Coles 228 (532-5666).
