Talent Show for Friday, still need someone to help pick up piano, Bryant and Kerri to help. Elliott to get gift cards/certificates from Best Buy. Nikki-need people to monitor door and (Kerri)-make sure scholarship drawing slips are available. Also need a few tables taken over. Shelby offered hers from Hill's distribution.

Joan-getting a few cancellations for symposium.

Nikki-didn't attend KVMA meeting due to bad weather.

Sonya-will work on taxes and will pass job onto Kerri in April.

Dustin-intramurals. Working on Dodgeball tournament, court reserved. Waiting to hear back from Hill's on money, prizes. Need to purchase dodgeballs. Trophy out for engraving.

Sarah-will be stuffing envelopes for finals care packages.

Lindsey-sent out letters to local vets, will see what kind of response is received before expanding area. Working on website. Possible meeting about internships by the interns. There was more discussion about having a meeting with students who have attended different programs such as Afrivet, Aquavet, CROW, etc.

Bryant-thank you card for business office. Discussion about teams for symposium (academic and athletic), how will we chose for teams. Travel request forms and international travel (IBSA?).

Chelsea-wellness. Yoga going well, Micah Sharpe teaching it and tours of rec planned. Didn't buy CD player, using personal one.

Exotics-Jeff reported that he has a meeting scheduled with the Foundation to try and get funds for herp. Joy to participate since she is the herp manager. Will be getting new cages to update look and housing. Will get check distributed at next meeting.

Voted \$150 to Small Ruminants for possible noon meeting with speaker who will discuss scrapie eradication.

Shelby-planning junior event sponsored by Hill's. Could mean substantial money for student and SCAVMA. Will need help getting it together. Planned for April 6. Will be held off campus with bus transportation provided from school to event. Also need new rep that some members of SCAVMA will help pick.
