Reports:

Elliott-KSU won the SCAVMA challenge at symposium and placed second in billiards.

Voted to award \$250 for Relay for Life; \$150 for Bovine club noon meeting; and \$150 for combined equine and behavior noon meeting.

Nikki-all slots filled with candidates for upcoming elections except for intramurals. Possible changes in mentor chair for next year. Faculty candidates are Dr. Jones and Dr. Narayanan. Newly elected board will be taken out for dinner courtesy of Hill's. For open house, need help for both booths. Will be working with Kerri on new ppt poster.

Taked with Doug Ritchie from Graduate Leverage about follow-up meeting.

BBQ on 4-20, Dr. Thompson will be grill master. Need help with set-up on I-70. Kiss the pig contest will be held again to help benefit the Josh Project. Possible candidates are Dr. Apply, Dr. Cash and maybe Dr. Finland. Collect money in dean's office again.

Quiz bowl-need help with questions. Might change format so contestants can't see questions and just buzz in before complete question can be viewed.

Run for Rabies on September 8. Not much info yet. From the AVMA, for school with the most participants, get to have rabies conference at school.

Sent in report to KVMA meeting.

Sonya-have \$32,026.26 in account. Some reimbursements for symposium will take a few weeks to process. Thinking of getting juniors dues before they hit clinics.

Sarah-need help with gift cards for finals packages.

Dustin-Women's BB squad won campus tournament.

Kerri-worked on sales tax issue. Hills distribution is a donation not a sale. Care packages, sales tax applies. Probably don't have to worry about audits and if audited and in error, probably only reprimands.

Money raised by Ft. Dodge vaccination clinic will be given back to the students, possible essay contest.

Bryant-still need to settle on faculty member for VLE conference.

Shelby-Have new Hill's reps, they are: Carly Waugh and Kimberly Hosking-Weiss Working on Junior event, need help with music and set-up, take-down and clean-up. Last distribution will be April 20th unless new reps decide to have one in May. Bryant to help with money for distribution. Have speaker from Hill's on 4-3, Cajun cookout on 4-5 and Junior event on 4-6.

Chelsea-working on having a student/staff room for next semester for workouts and yoga. Looking into used fitness equipment.
